Eid-Al-Adha

2026

## Assalam alaikum dear donors,

Squeezed between bliss and gratefulness, delight and placidness, Miles2Smile would like to give wind to memories of Eid al Adha, not ours, but of those for whom festivals are a day where celebration seems frail, not from the heart but from circumstances. Often labeled as victims, survivors, or persecuted, these people fade behind the onslaughts they have faced. However, at Miles2Smile, we put our beliefs in redefining, re-loving, rebuilding, and re-celebrating.

Adhering to our beliefs, we, this year, like that of previous ones, with your support, became a part of a celebration of people for whom celebration has been a term, not an act. Through the given report below, Miles2Smile would like to provide you a flicker of glee of Eid al Adha of people who were persecuted, subjected to targeted demolition, and faced the brutality of nature.

# How did you become a source of their happiness?

On May 19, 2026, Miles2Smile, through a social media post, raised a call for contribution. The post aimed to help those who struggled to celebrate Eid ul Adha. Amidst a sea of updates and notifications, you, our supporter, showed up to the call for contribution. Every penny chipped in became a source of purchasing animals for sacrifice, resulting in 20 buffaloes and 6 goats—all healthy and fit for sacrifice.

These animals were then carefully distributed among the refugees in our **Nuh camp**, encompassing as many as seven camps, survivors of demolition in **Assam's Golapara**, and those in Margi, Warwan, Jammu and Kashmir, who faced landslides in 2025, instilling a spirit of festivity and love in their lives.

The refugee camp in **Nuh, Haryana** is home to people whose homeland itself could not provide space to. They were persecuted and evicted from their homeland and then migrated to India, where they met Miles2Smile, becoming a family. And what does a family do during festivals? Celebrate together!

This Eid ul Adha, the animals provided to them became a source for them to learn the meaning of the day—the sacrifice.

The people of **Assam** faced a massive eviction in the month of August 2025, removing them from stability and certainty. Festivals and celebrations became far-fetched for them, but through your support, it was all smiles. Your contribution helped them become a part of Eid ul Adha's sacrifice.

Meanwhile, nature was harsh for the people of **Jammu and Kashmir**. In 2025, a twin cloud burst hit them, swallowing their house and happiness. Miles2Smile helped them rebuild their lives. Ever since then, we have helped time in all ways possible, bringing a sense of relief in their hearts, so why not during Eid al-Adha? Through your support, we were able to provide happiness on Eid as well. Thank you, dear supporters.

Eid ul-Adha, the "Festival of Sacrifice," is one of the most significant festivals in Islam. **It commemorates Prophet Ibrahim's (Abraham) devotion and willingness to sacrifice his son, Ismail (Ishmael), to Allah and celebrates themes of faith, obedience, and charity.** You dear donors have celebrated the theme with love and devotion. May Allah bless you abundantly for the same.

With trust as its cornerstone and transparency as its strong foundation, Miles2Smile continues to forge connections that shape a more compassionate world. To linger on the trust, we would like to inform you individually where your contribution reached through the data given below.
