

MILES2SMILE EXTENDS AID TO ANU MIA'S FAMILY FOLLOWING TRIPURA VIOLENCE

ANU MIA

FATIKROY, TRIPURA

On January 10, 2026, violence erupted in Fatikroy, Tripura, following an alleged dispute over the collection of funds for a local Hindu temple. Muslim residents were reportedly targeted, with several homes, shops, and a mosque set on fire. Before the community could recover, another blow followed: police arrested people who were allegedly victims of the violence

Many of those detained were the sole breadwinners of their families, pushing households into sudden and severe hardship. Miles2Smile travelled to Tripura to assess the damage and reach those in need. Anu Mia was among them. We listened to his story and witnessed a family left in deep uncertainty. Through our Dastgir initiative, under which we support the families of people who were wrongfully incarcerated, we supported Anu Mia 's family in meeting their most urgent needs. The amount has been Utilized from Zakaat funds raised during the holy month of Ramadan.
