

Imteyaz's new lease on life

Imteyaz, Bihar Sharif, Bihar

On March 31, 2023, during the Ram Navami procession in Bihar Sharif, Imteyaz, a kind-hearted e-rickshaw driver, was brutally attacked by a mob. His vehicle was destroyed, the battery stolen, and he suffered severe injuries that left him bedridden. "My legs still pain, and my left eardrum was perforated," he recalls.

With his wife struggling to earn for the family, life seemed hopeless. Miles2Smile intervened, providing Rs 1 lakh, enabling him to afford medical treatment and replace his e-rickshaw battery. Today, Imteyaz works again, though the traumatic memories of that violent day continue to haunt him.
