

# Imtiaz: Rebuilding a Home, Restoring dreams in Warwan

📍 *Imtiaz, Margi, Warwan, Kashmir*

When floods swept through Warwan valley, Imtiaz's home was half-buried under mud and debris. His family was left with barely a shelter. When Miles2Smile reached them, we helped them to rebuild their home, restoring safety, stability, and dignity brick by brick. But recovery

meant more than walls—children had lost schools, books, and the rhythm of learning. To support their education, Miles2Smile is now raising ₹3 lakh to build a learning centre in Warwan, giving children a place to study, play, and dream again. Through timely help, hope flows even after disaster.
