

# IN THE WAKE OF TRIPURA VIOLENCE, MILES2SMILE **ASSISTS JASHIM ALI'S FAMILY**

## JASHIM ALI

FATIKROY, TRIPURA

On January 10, 2026, Fatikroy in Tripura witnessed a surge of violence after an alleged dispute over the collection of funds for a local Hindu temple. Muslim residents were reportedly attacked, with multiple homes, shops, and a mosque set ablaze. As the community struggled to cope with the destruction, police action followed, with those said to be victims of the violence taken into custody.

Many of those arrested were the primary earners for their families, leaving households abruptly without support. Miles2Smile travelled to Tripura to assess the losses and extend assistance to those affected. Jashim Ali was among them. We heard his account and saw firsthand how the violence had unsettled his family's life. Through our Dastgir initiative, under which we support the families of people who were wrongfully incarcerated, we supported Jashim Ali's family in meeting their most urgent needs. **The amount has been Utilized from Zakaat funds raised during the holy month of Ramadan.**
