

# NEW HOPES, NEW BEGINNING AND BUNDLE OF PEACE UNDERWAY: STORY OF MANIK MIYA WITH MILES2SMILE

MANIK MIYA

FATIKROY, TRIPURA

Manik Miya, a daily wage driver from Fatikroy, Tripura, lived a simple life, working hard to provide for his wife and daughters. On January 10, 2026, violence broke out after a dispute over donations for a local pooja, leaving Muslim homes, shops, and the Jama Masjid burned. Though his pickup truck survived during the day, it was set on fire at night, destroying his only source of income. With no savings and no support, Manik Miya worried about providing for his family. Amid the devastation and worry, hope and help took shape through Miles2Smile. The organization provided him with a new pickup truck, allowing him to return to work, support his family again, and rebuild his life.
