

MILES2SMILE EXTENDS SUPPORT TO MATACHIR ALI'S FAMILY FOLLOWING TRIPURA VIOLENCE

MATACHIR ALI

FATIKROY, TRIPURA

On January 10, 2026, Fatikroy in Tripura witnessed an outbreak of violence following an alleged dispute over the collection of funds for a local Hindu temple. Muslim residents were reportedly targeted, with several muslim homes, shops, and a mosque set ablaze. As the community grappled with the destruction, police action followed, and people said to be victims of the violence were taken into custody.

Many of those arrested were the primary earners for their families, leaving households suddenly without support. Miles2Smile travelled to Tripura to assess the losses and assist those affected. Matachir Ali was among them. We listened to his account and saw firsthand how the violence had disrupted his family's life. Through our Dastgir initiative, which supports families of those wrongfully incarcerated, we helped Matachir Ali's family meet their most urgent needs. The amount has been Utilized from Zakaat funds raised during the holy month of Ramadan.
