

Iqbal & his cycle-repair-shop

Muhammad Iqbal, Bihar Sharif, Bihar

Muhammad Iqbal's life changed on March 31, 2023, when Ram Navami celebrations in Bihar Sharif turned violent. An unauthorised saffron-clad mob stormed his neighbourhood, planted flags on the mosque, and desecrated it, triggering clashes. Iqbal, a father of three who ran a small cycle-repair shop,

pleaded for his livelihood to be spared, but a petrol bomb set his shop ablaze. Earning barely ₹500 on a good day, the loss pushed him into despair. During relief work, Miles2Smile met Iqbal and supported him with ₹30,000 to restore his business, helping him restock equipment and rebuild hope.
