

MILES2SMILE ASSISTS MUSABBIR ALI'S FAMILY AFTER TRIPURA VIOLENCE

MUSABBIR ALI

FATIKROY, TRIPURA

Broken walls, a half-burnt structure, and an open sky are all that remain for Musabbir Ali and his family. On January 10, they began the day like any other, unaware that violence would soon shatter their lives. In Fatikroy, Tripura, Muslim residents were allegedly targeted after a dispute over temple fund collection.

When Musabbir Ali said he could not pay immediately, he was assaulted and hospitalised. In his absence, the mob burned his home, shop, and truck, and he was later arrested despite committing no crime. Miles2Smile travelled to Tripura and met Musabbir Ali's family. Through the Dastgir initiative, which supports families of those wrongfully incarcerated, we helped Musabbir Ali's family meet their most urgent needs. The amount has been Utilized from Zakaat funds raised during the holy month of Ramadan.
