

# Najmul and His tea Shop

Najmul Afrin, Bihar Sharif, Bihar

During the Ram Navami violence on March 31, 2023, in Bihar Sharif, Jamil's tailoring shop was looted and burnt, destroying three sewing machines, an interlocking machine, fabrics, and years of hard work. The tragedy struck just before Eid, when business should have surged. Jamil and his son Irfan, devastated, faced the

loss of their sole livelihood and months of income. Miles2Smile launched a fundraiser for the victims, providing ₹1.5 lakh to restore Jamil's shop. With this support, they purchased new machines and fabrics, restarted their business, and, filled with gratitude, began stitching a new life with hope and determination.
