

# Thriving Through Turbulence with Miles2Smile

*📍 Noor Alam Northeast Delhi,*

The 2020 Delhi pogrom shattered Noor Alam's life in. The organisation enrolled Noor Alam's sons, and left his family struggling to survive. Trapped Dawood and Zubair, at Sunrise Public School, inside their home as violence raged outside, they ensuring their education continued. Miles2Smile also spent the night in fear, unsure if they would make it supported Warisha by enrolling her in a tailoring through. The aftermath was just as harsh—lost centre and helped Noor Alam rebuild his livelihood by income, missed school admissions, and growing setting up a spiral potato shop. Today, the family is hardship. Hope returned when Miles2Smile stepped rebuilding life with dignity, stability, and renewed hope—made possible through timely support and sustained care.
