

# “I am a person with a disability. I cannot even lift a stick—how was I involved in the clash?”

*📍 Rafiq Bahraich, Uttar Pradesh*

Rafiq asked the Miles2Smile team. During violence following a Durga idol immersion in Bahraich, Rafiq, a 39-year-old widower and father of three, lost his e-rickshaw, the only source of his livelihood, when it was set on fire. Terrified, he had fled to save his life. Miles2Smile reached the affected areas,

met survivors, and heard Rafiq’s story. We promised to restore his livelihood and launched a fundraiser. Within a month, the funds were raised, and Miles2Smile returned to Bahraich to gift Rafiq a new e-rickshaw. Today, he is earning again, supporting his children, and rebuilding life with renewed hope.
