

Strength in the Face of Adversity: Sameer's Path to Healing

📍 Sameer, Northeast Delhi, Delhi

Sameer's life changed forever during a wave of communal violence when he was shot while going to coaching, leaving him paralyzed. Surgeries and physiotherapy could not restore his mobility, and he lost hope. When Miles2Smile met him, we encouraged him to continue his education online and helped him adapt to his new reality.

Supporting his determination, we provided an LED TV so he could study comfortably on a bigger screen. Today, Sameer pursues hotel management, learning new skills and chasing his dreams. Miles2Smile continues to stand beside him and many others, helping survivors of violence rebuild their lives with hope and dignity.
