

# AFTER AAMIR'S DEATH IN MOB LYNCHING, MILES2SMILE SET UP A SHOP TO SUPPORT HIS FAMILY

SHABRA

PALLA VILLAGE, HARYANA

On March 2, Imran's brother, Aamir, the sole breadwinner of the family, was driving his pickup truck when self-styled cow vigilantes intercepted him near Bhiwadi, ramming his vehicle to a halt. Within moments, he was brutally attacked and shot in the head, dying within hours.

With the death of Aamir, the financial stability of the house also collapsed, making them fall into poverty along with the emotional turmoil. Miles2Smile went to Aamir's house and observed their condition. On learning of their hardship, the organization incorporated a shop for Imran for the family's financial stability. The shop offered stability and certainty in their lives.
