

# MILES2SMILE ASSISTS USMAN'S FAMILY AFTER TRIPURA UNREST

## USMAN

FATIKROY, TRIPURA

On January 10, 2026, violence broke out in Fatikroy, Tripura, after an alleged dispute over the collection of funds for a local Hindu temple. Muslim residents were reportedly targeted, with several homes, shops, and a mosque set on fire. Before the community could recover, another blow followed: police arrested those who were allegedly victims of the violence.

Many were the sole breadwinners, and their detention pushed families into sudden hardship. Miles2Smile travelled to Tripura to assess the damage and reach those in need. Usman was one of them. We listened to his arrest stories and witnessed the lives of family members left in ruins. Through our Dastgir initiative, under which we support the families of people who were wrongfully incarcerated, we supported Usman's family in meeting their most urgent needs. The amount has been Utilized from Zakaat funds raised during the holy month of Ramadan.
