

Sleeping on Stones, Clinging to Hope

 *Gulshana Begum, Kashmir*

In the remote valleys of Warwan, widow Gulshana Begum lost everything when flash floods destroyed her fragile home, leaving her and her children sleeping on cold stone beds, hungry and terrified. Just as survival seemed impossible, Miles2Smile reached her with urgent help in emergency relief, followed by

six months of ration supplies, medical care, and constant support. Each visit and every packet of food restored not only stability, but dignity and hope. Today, Gulshana continues rebuilding with quiet determination, strengthened by the knowledge that she and her children are not alone and that compassion can light even the darkest paths.
