

Rebuilding Hope: Kallu Miyan's Journey from Loss to Recovery

Kallu Miyan and his two sons moved from Moradabad, UP, to Gurugram in search of better opportunities. He started selling mattresses and air-coolers on the roadside and eventually rented a small shop in Sector 66, where his business grew, allowing him to support his wife, sons, and daughter. However, on August 1, 2023, his life was shattered when a violent mob, angered by the Nuh violence, attacked the area. Kallu's shop was looted and set on fire, resulting in losses of around three lakh rupees. The mob also threatened nearby Muslim families to leave. Fortunately, **the Miles2Smile Foundation launched a crowdfunding campaign, raising 2.64 lakh rupees for Kallu,** enabling him to rebuild his shop. Overwhelmed by the support, Kallu performed two rakats of namaz to thank Allah for the help.
