

A Roof Over The Heads, A Smile on The Faces: **Miles2Smile** Builds **Umar's House**

📍 *Maqsood, Ghatmika, Rajasthan*

In November 2017, Umar Khan was tragically killed in an incident of cow vigilantism, leaving his family devastated. His dream of building a home for them remained unfulfilled. Years later, his son Maqsood and family continued living in a rented house, unable to complete the construction.

Miles2Smile visited their village, assessed the situation, and launched a fundraiser. Within two months, the funds were raised and Umar's dream home was completed. A housewarming ceremony followed, bringing joy and relief to the family. "I feel blessed," said Maqsood, standing proudly in the home his father once dreamed of building.
