

When Neighbors Became Predators

For Mehrun Khan of Anand Nagar, Khargone, safety turned into horror when two neighbors invaded her home with swords during communal clashes on April 10, 2022. They attacked her, leaving a scar on her face, and injured her daughter as she tried to protect her mother.

The men looted and destroyed their home, forcing the family to flee in fear of further violence. Triggered by Ramnavami processions clashing with Ramadan prayers, the tragedy left deep scars on their lives. Miles2Smile provided help to Mehrun and her daughter Zubeda for medical treatment, helping them heal and find hope again.
