

Rebuilding Hope for Mohd Ramzan's Family

📍 Mohd Ramzan, Kashmir

In the serene yet fragile valley of Warwan, nature's fury has devastated the life of Mohd Ramzan, son of G.H. Mohd Lone. A massive landslide reduced his home to rubble, sweeping away years of hard work and the comforts his family once knew. They stand amid loss, holding

only memories and the hope of starting again. A safe home is more than shelter, it is dignity, warmth, and stability. For Mohd Ramzan and his family, rebuilding a house means rebuilding their lives, restoring security, and rekindling their dreams for a peaceful future.
