

Muhammad Yusuf Lone: A Family's Courage Amidst Life's Challenges

📍 Yusuf Lone, Kashmir

In the snow-kissed valleys of Kashmir, Muhammad Yusuf Lone's family faces profound hardship with quiet courage. Two of their children have passed away, and the surviving sons live with severe intellectual disabilities, needing constant, round-the-clock care. Unable to work, the parents even sold their only land to

survive. Their modest home, though burdened by struggle, holds deep love and resilience. When Miles2Smile Foundation arrived, they brought ration kits, warm clothing, and dignity, offering rare relief and reminding the family they were not alone. Their support illuminated hope, proving that compassion can ease even the harshest journeys in their daily lives.
