

Providing Education, Rebuilding Dreams, and Earning Smiles through Miles2Smile

📍 *Rehan, Shamli, Uttar Pradesh*

In September 2021, 20-year-old Sameer was lynched by a mob while on his way to open a bank account. The sole breadwinner of his family, his death shattered them. His sister cried endlessly, his brothers wept in silence. When Miles2Smile visited, the pain in their home was unbearable. Sameer's younger brother Rihan

feared he would never study a gain. We stepped in, enrolling him in school and covering his fees. Two years later, Rihan is thriving. His smile inspired our mission, Smile School, a dedicated space to educate children of mob-lynching victims and survivors of hate. Their learning is our promise. The amount has been utilized from Zakaat funds raised in the holy month of

Ramadaan.
