

Burnt Dreams- Siraj Bi Lost Everything in Just a Few Hours

Siraj Bi, a widow from Khargone, Madhya Pradesh, lost everything she had worked for when communal violence struck in April, 2022. After completing her Maghrib prayers, she saw a mob of 300 approaching her home.

Fearing for her daughters' safety, she pleaded with them to leave, explaining there were no male members in the house. Despite her cries, the mob set her home on fire, destroying everything, including savings meant for her daughter's wedding. Miles2Smile provided financial aid to help rebuild Siraj Bi's house, offering her and her daughters hope for a future after the devastating loss.
