

Shattered Lives, Burned Hopes Rekindled **Happiness** and A New Life

📍 Sufiya, Bahraich, Uttar Pradesh

"We had nothing to eat... then Aasif bhai came and helped us," said Sufiya, recalling the horror of the October 13, 2024, Bahraich violence. As clashes erupted, mobs torched homes, and Sufiya's life was reduced to ashes. Her jewelry, clothes, and dignity were stripped away—her daughter even fainted from shock.

Miles2Smile met Sufiya in despair, yet her eyes held a flicker of hope. We pledged to rebuild her home and, with our supporters, raised the necessary funds in just a month. Today, with a refrigerator, bed, and cupboards restored, her smile says it all. Her happiness gives our mission purpose.
