

The Family of **Mohammad Shaban Lone** and **Zoona Begum**

Zoona Begum, Kashmir

In the remote valleys of Kashmir, Miles2Smile reached the humble home of Mohammad Shaban Lone and his mother, Zoona Begum, two lives shaped by disability, poverty, and abandonment. Despite their hardships, the team found remarkable resilience. Miles2Smile provided rations, warm clothing, and winter

supplies, offering not just material relief but recognition and compassion often denied to families like theirs. For Zoona and Shaban, this support restored hope and reminded them they are not forgotten. At Miles2Smile, we strive to reach such unseen lives, honoring their strength and ensuring that even in the most isolated corners, dignity and warmth prevail.
